**INDEPENDENT AUDITORS' REPORT**

The Most Reverend Jerome E. ListECKI, Archbishop of Milwaukee  
Archdiocese of Milwaukee (Debtor in Possession)  
Milwaukee, Wisconsin

We have audited the accompanying financial statements of the Archdiocese of Milwaukee (Debtor in Possession), which comprise the statements of financial position as of June 30, 2013 and 2012, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Archdiocese of Milwaukee (Debtor in Possession) as of June 30, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Uncertainties Regarding the Future Outcome of Bankruptcy and Litigation***

As discussed in Notes 1 and 2 to the financial statements, the Archdiocese of Milwaukee (Debtor in Possession) filed a petition for relief under Chapter 11 of the bankruptcy law. The Archdiocese of Milwaukee (Debtor in Possession) continues operations as a debtor in possession. As discussed in Note 2 to the financial statements, there is a case pending regarding the treatment of the Archdiocese of Milwaukee Catholic Cemetery Perpetual Care Trust assets as part of the Archdiocese of Milwaukee's (Debtor in Possession) estate. As discussed in Note 10 to the financial statements the Archdiocese of Milwaukee (Debtor in Possession) is a defendant in numerous lawsuits and abuse claims. At this stage of the Chapter 11 proceedings, it is not possible to predict the likely outcome or disposition of the above matters, or whether the magnitude may be material. The financial statements do not include any adjustments that might result from these uncertainties. Our opinion is not modified with respect to these matters.

## NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended June 30, 2013 and 2012

---

### **NOTE 1 - Petition for Relief Under Chapter 11**

---

On January 4, 2011, the Archdiocese of Milwaukee (Debtor-in-Possession) (the "Archdiocese") filed a petition for relief under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Eastern District of Wisconsin. Under Chapter 11, certain claims against the Archdiocese in existence prior to the filing are stayed while the Archdiocese continues business operations as a Debtor in Possession. These claims are reflected in the statements of financial position as "Pre-Petition Liabilities" within the liabilities section of the statement. Claims could change subsequent to the filing date resulting from rejection of executory contracts and a determination by the Court of allowed claims. A bar date for the filing of general creditor claims was set at October 17, 2011. A bar date for the filing of claims of abuse survivors was set at February 1, 2012. All expenses related to the reorganization are shown separately in the statements of activities.

The Archdiocese received permission from the Bankruptcy Court to pay or otherwise honor certain of its pre-petition obligations, including the costs of employee wages, benefits, and expense reimbursements; construction in progress; certain psychological counseling and therapy costs for abuse survivors; certain contractual settlement amounts to abuse survivors; and costs incident to voluntary mediations with two abuse survivors.

### **NOTE 2 - Summary of Significant Accounting Policies**

---

#### *Nature of Activities*

The Archdiocese is a not-for-profit Wisconsin corporation, without capital stock. The Archdiocese provides ministerial support and services to parishes and other Catholic entities within a ten-county region of Southeast Wisconsin. The Archdiocese has a Board of Directors which oversees all ordinary administration. The Archbishop of Milwaukee serves as the canonical administrator of the Archdiocese. The Archdiocese is exempt from income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code. Accordingly, the financial statements do not include any amounts for capital stock or income taxes.

The financial statements include corporate assets, liabilities, and operations of the Archdiocese of Milwaukee, primarily based in the Chancery/Central offices and Cemeteries and Mausoleums.

Under the laws of the state of Wisconsin, parishes, their related schools, and certain other Catholic entities operating within the boundaries of the Archdiocese are not under the fiscal and operating control of the Archdiocese and, therefore, in accordance with accounting principles generally accepted in the United States of America are not included in the financial statements.

#### *Basis of Accounting*

The financial statements have been prepared on the accrual basis of accounting. All significant balances and transactions between the specific activities have been eliminated in the financial statements.

#### *Cash and Cash Equivalents*

Cash equivalents are defined as securities and other short-term investments with maturities at date of acquisition of approximately three months or less.

### *Investments*

Investments are generally recorded at fair value based upon quoted market prices, when available, or estimates of fair value. Donated assets are recorded at fair value at the date of donation or, if sold immediately after receipt, at the amount of sales proceeds received (which are considered a fair measure of the value at the date of donation). Those investments for which fair value is not readily determinable are carried at cost or, if donated, at fair value at the date of donation, or if no value can be estimated, at a nominal value. The Archdiocese records the change of ownership of bonds and stocks on the day a trade is made. Investment income or loss and unrealized gains or losses are included in the statements of activities as increases or decreases in unrestricted net assets unless the income or loss is restricted by donor or law.

### *Receivables*

The Archdiocese uses the allowance method to account for uncollectible accounts receivable. The allowance is based on historic collection experience and a review of the current status of receivables. Bad debts are charged against the allowance when deemed uncollectible. Notes receivable arising from the sale of mausoleum crypts are typically collectible in monthly installments, including interest, over four years. Receivables are presented net of allowance for doubtful accounts of \$3,210,396 and \$3,022,855 at June 30, 2013 and 2012, respectively. Net receivables as of June 30 consist of:

	<u>2013</u>	<u>2012</u>
Accounts and notes	\$ 2,459,533	\$ 2,180,768
Fixed income settlements	33,503	88,246
Current portion of note receivable	31,954	32,746
Contributions	448,053	339,202
Parish obligations	798,705	897,763
Mortgages	8,542	8,542
Interest and dividends	<u>88,509</u>	<u>114,087</u>
Total Accounts Receivable	<u>\$ 3,868,799</u>	<u>\$ 3,661,354</u>

### *Life Insurance Contributions*

Donors have contributed multiple life insurance policies on their lives to the Archdiocese. The cash surrender value of \$293,989 and \$293,013 at June 30, 2013 and 2012, respectively, is included in long-term other assets on the statements of financial position.

Miscellaneous revenue has been recorded for the increase in cash surrender value of these policies.

### NOTE 2 - Summary of Significant Accounting Policies (cont.)

---

#### *Property and Equipment*

Acquisitions of property and equipment in excess of \$1,000 and expenditure for improvements and betterments that materially prolong the useful lives of assets are capitalized.

Land, buildings, and equipment are primarily carried at cost.

Depreciation is recorded on a straight-line basis over the estimated useful lives of the assets as follows:

	<u>Years</u>
Buildings	50
Land improvements	20
Furniture and Fixtures	10
Equipment	3 - 10
Vehicles	5

The Archdiocese follows current authoritative guidance for accounting for conditional asset retirement obligations. The guidance refers to a legal obligation to perform an asset retirement activity even if the timing and/or settlement is conditional on a future event that may or may not be within the control of an organization. Accordingly, if the Archdiocese has sufficient information to reasonably estimate the fair value of an obligation in connection with an asset retirement, it is required to recognize a liability at the time the liability is incurred. Since the Archdiocese is not aware of any material required remediation that would result in an asset retirement obligation, the Archdiocese has not recorded an asset retirement obligation.

#### *Impairment of Long-Lived Assets*

The Archdiocese reviews long-lived assets, including property and equipment and intangible assets, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable. An impairment loss would be recognized when the estimated future cash flows from the use of the asset are less than the carrying amount of that asset. There have been no such losses during the years ended June 30, 2013 and 2012.

#### *Beneficial Interest in Cemetery Perpetual Care Trust*

The Archdiocese operates cemeteries which assist in caring for the faithful departed by performing an ancient corporal work of mercy – providing and maintaining appropriate facilities for burial of the dead. On April 2, 2007, the Archdiocese of Milwaukee Catholic Cemetery Perpetual Care Trust (the "Cemetery Trust") was created to formalize the trust relationship with respect to funds (the "Perpetual Care Funds") which were held under a fiduciary responsibility to adequately provide for the future care of mausoleums, crypts, and gravesites. In March 2008, all assets accumulated over time for the future care of cemeteries and mausoleums were moved to a separate investment account controlled by the Cemetery Trust. A beneficial interest in the Cemetery Perpetual Care Trust valued at the value of the Trust's assets appears on the statements of financial position in accordance with suggested accounting protocols. The Trust's assets consist primarily of cash and investments. The Cemetery Trust can and historically has made distributions to the Archdiocese of Milwaukee (Debtor-in-Possession) as reimbursement to help defray the costs incurred by the Archdiocese for providing services for the purpose of care and maintenance of cemeteries. The distributions totaled \$1,950,000 for the years ended June 30, 2013 and 2012. The Cemetery Trust is a distinct legal entity whose assets are legally restricted to the purposes of the Cemetery Trust. The Archdiocese of Milwaukee (Debtor-in-Possession) disclaims control of the Cemetery Trust or a right to receive assets for any purpose other than for the care and maintenance of cemetery properties.

On June 28, 2011, the Cemetery Trust commenced an adversary proceeding against the Official Committee of Unsecured Creditors in the Archdiocese's pending Chapter 11 bankruptcy proceeding seeking an order declaring that the Cemetery Trust is not property of the Archdiocese's estate, and declaring that the Perpetual Care Funds are not property of the Archdiocese's estate. On September 13, 2011, the Official Committee of Unsecured Creditors (the "Committee") filed a counterclaim in the adversary proceeding commenced by the Cemetery Trust. The Committee sought an order declaring that the Cemetery Trust is not a valid trust, and a determination that the transfer of Perpetual Care Funds to the Cemetery Trust is an avoidable transfer under federal bankruptcy law and Wisconsin law. On January 13, 2012, the Cemetery Trust amended its complaint and added allegations that the Committee cannot use the Bankruptcy Code to make the Cemetery Trust property of the Archdiocese's estate because doing so would violate the Religious Freedom Restoration Act of 1993 ("RFRA"), and the First Amendment to the United States Constitution. On January 17, 2013, the Bankruptcy Court granted the Committee's motion for partial summary judgment, ruling that neither RFRA nor the First Amendment applied to prevent inclusion of the Cemetery Trust assets into the Archdiocese's estate. The Cemetery Trust appealed the Bankruptcy Court's decision and, on July 29, 2013, the District Court reversed the Bankruptcy Court ruling, and granted the Cemetery Trust's request for an order declaring that the Perpetual Care Funds are not property of the Archdiocese's estate. The District Court ruled that the Committee cannot use the Bankruptcy Code to make the Cemetery Trust property of the Archdiocese's estate because doing so would violate RFRA and the First Amendment. On August 26, 2013, the Committee appealed the District Court's ruling to the United States Court of Appeals for the Seventh Circuit.

Total Accounts Payable	<u>\$ 3,571,899</u>	<u>\$ 2,700,542</u>

On March 26, 2013, the Bankruptcy Court entered an Order granting Modification of the Debtor's Motion to Establish Procedures for Interim Compensation and Reimbursement of Expenses of Professionals. The Bankruptcy Court ordered that the Archdiocese may suspend payments of interim compensation and reimbursement of expenses to Professionals, including the attorneys and accountants for both the Archdiocese and the Committee. Notwithstanding the Order, the Archdiocese continues to record the fees and expenses sought by professionals as an expense and accrues the unpaid professional fees and expenses in accounts payable as they are submitted, pending further order of the Bankruptcy Court.

#### *Contributions Payable*

Contributions payable represent unconditional promises to give to be paid by the Archdiocese in subsequent fiscal years. In 2007, the Archdiocese entered into an agreement to pay a contribution over an extended period of 15 years. The long-term portion of this contribution was previously discounted at 6% to its net present value, following accounting protocols. The full (undiscounted) amount of the unpaid contribution has been entered as a creditor claim for \$3,378,537 and the discount of \$527,983, which was previously associated with future payments was reversed resulting in a change which is included in Reorganization expenses on the statements of activities for the year ended June 30, 2012.

Total contributions payable consists of contributions payable (current liabilities) of \$2,351,264 and \$2,557,224 as of June 30, 2013 and 2012, respectively and contractual contributions payable (pre-petition liabilities) of \$3,378,537 as reported on the statements of financial position as of June 30, 2013 and 2012.

#### *Collections to be Forwarded to Other Entities*

Collections to be forwarded to other entities represent cash collected on behalf of other Catholic organizations and programs, mainly via the annual Combined Collections fund drive.

#### *Custodial Investments Held for Others*

The Archdiocese administers the investments for various programs and organizations within the geographical boundaries of the archdiocese of Milwaukee. These are not Archdiocesan funds. The Archdiocese may provide administrative services to help support these ministries and programs. The custodial investments held for others as of June 30 consist of:

	<u>2013</u>	<u>2012</u>
Priests' Continuing Formation Program	\$ 2,154,054	\$ 2,143,576
Other	<u>470,895</u>	<u>470,730</u>
Total	<u>\$ 2,624,949</u>	<u>\$ 2,614,306</u>

#### *Net Assets*

Net assets, revenues, gains and losses are classified based on external donor imposed restrictions. Accordingly, net assets of the Archdiocese are classified and reported as follows:

**Unrestricted Net Assets** - Resources of the Archdiocese which have not been restricted by donor-imposed stipulations.

**Temporarily Restricted Net Assets** - Cash and other assets received with donor-imposed stipulations which limit the use of the donated assets. The stipulations either expire by passage of time or can be fulfilled and removed by actions of the Archdiocese pursuant to those stipulations.

**Permanently Restricted Net Assets** - Cash and other assets received from donors subject to stipulations that they be maintained in perpetuity by the Archdiocese. Such restrictions can neither expire with the passage of time nor be removed by fulfillment of a stipulated purpose. If the donor does not restrict the allowed use of the income, the Archdiocese may determine the earned income's availability for general or specific purposes.

### *Board Designated Net Assets*

The Archdiocese may designate a portion of unrestricted net assets for a specific purpose. At June 30, designated unrestricted net assets consist of the following:

#### Specific Purposes

The Board of Directors has designated certain unrestricted net assets consistent with the purposes set forth in the original instruments as of June 30 as follows:

	<u>2013</u>	<u>2012</u>
St. John's Burse (for deaf and hearing impaired ministry)	\$ 506,607	\$ 508,038
St. Aemilian Trust (for the establishment of facilities for orphans, dependent, neglected, and delinquent children, for rehabilitation, treatment and other welfare services needed for such ends, and the promotion of education, charity and religion)	3,603,288	3,972,137
Set aside for future mausoleum construction costs	64,025	227,075
General operations and other	<u>385,647</u>	<u>390,317</u>
Total Designated Net Assets	<u>\$ 4,559,567</u>	<u>\$ 5,097,567</u>

The Archdiocese has an economic interest, as defined by accounting standards, in the Cemetery Trust. Trust funding occurs as part of the sale of burial rights, and trust funds are subject to a fiduciary obligation to be used for the purpose of perpetual care of Archdiocesan Cemeteries.

	<u>2013</u>	<u>2012</u>
Limited to perpetual care of cemeteries	<u>\$ 59,310,960</u>	<u>\$ 56,127,527</u>

### *Revenue Recognition*

Contributions, including unconditional promises to give, are recognized in the period received. Conditional promises are not recognized until they become unconditional, that is when the conditions on which they depend are substantially met.

The Archdiocese reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

#### *Cemetery and Mausoleum Sales*

The Archdiocese records revenue on sales of cemetery plots and mausoleum crypts at the date of sale as it has no legal obligation, beyond a short rescission period, to refund any such sale. As such, no reserve for sale returns has been established. As a matter of policy, the Archdiocese has refunded sales under certain circumstances at amounts equal to or less than the original sales price, with the units then returned to inventory. This policy is subject to amendment at any time. The Archdiocese also allows customers to purchase cemetery plots and mausoleum crypts through the installment method in which customers are given four years to pay. Revenue from these sales is recognized immediately as there is little uncertainty as to the collectibility of the balance of the purchase price. There is a fiduciary obligation which exists to hold certain of the funds collected for perpetual care. As of March 2008, the funds which must be held for the perpetual care of the cemeteries were deposited into the Cemetery Trust.

#### *Contributed Services*

Volunteers contribute personal time to assist the Archdiocese in performing various services. Volunteer services are not recorded by the Archdiocese, as these services do not require specialized expertise as defined by generally accepted accounting principles.

#### *Leased Facilities*

The Archdiocese of Milwaukee (Debtor-in-Possession) occupies premises owned by DeSales Preparatory Seminary, Inc. As the lessee, the Archdiocese is responsible for payment of operating and maintenance costs of the facilities.

#### *Fundraising Costs*

Fundraising costs consisting primarily of payroll, fringe benefits, supplies, and professional services for fiscal years ended June 30, 2013 and 2012 were \$1,201,952 and \$1,079,812, respectively.

#### *Reclassifications*

For comparability, certain 2012 amounts have been reclassified to conform with classifications adopted in 2013. The reclassifications have no effect on reported amounts of net assets or change in net assets.

#### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities and the reported amounts of revenues and expenses. Actual results could be different from those estimates.

### **NOTE 3 - Fair Value of Financial Instruments**

As defined by suggested accounting protocols, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Archdiocese uses various valuation methods including the market, income, and cost approaches. The assumptions used in the application of these valuation methods are developed from the perspective of market participants pricing the asset or liability. Inputs used in the valuation methods can be either readily observable, market corroborated, or generally unobservable inputs. Whenever possible the Archdiocese attempts to utilize valuation methods that maximize the use of observable inputs and minimizes the use of unobservable inputs. Based on the observation of the inputs used in the valuation methods, the Archdiocese is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Assets and liabilities measured, reported, and/or disclosed at fair value will be classified and disclosed in one of the following three categories:

Level 1 - Quoted market prices in active markets for identical assets or liabilities.

Level 2 - Observable market based inputs or unobservable inputs that are corroborated by market data.

Level 3 - Unobservable inputs that are not corroborated by market data.

The table below presents the balances of assets measured at fair value on a recurring basis by level within the hierarchy.

### **NOTE 3 - Fair Value of Financial Instruments (cont.)**

Money market funds are classified as Level 2 as they are not traded in an active market.

The Archdiocese classifies investments in bonds and US Government agency securities as Level 2 items as they are not publicly traded in active markets. The bonds are invested in US Government, corporate, and foreign issues.

The Archdiocese classifies other investments which are held at the Archdiocese of Milwaukee Catholic Community Foundation, Inc. ("CCF") as Level 3. It is not possible to determine a daily value of the Archdiocese's portion of the commingled investment portfolio. The portfolio is divided among a group of investment managers to achieve diversification. CCF's policy requires a written distribution request to be submitted at least 60 days prior to the required distribution date. If a request is for more than 50% of the account balance at the time of the request, CCF reserves the right to defer payment of the amount for up to six months after receipt of the written distribution request.

The Archdiocese classifies the beneficial interest in the Cemetery Perpetual Care Trust as Level 3. It is valued based on the value of the underlying assets held by the Trust.

The changes in Level 3 assets measured at fair value on a recurring basis are summarized as follows:

	Other Investments	Beneficial Interest in Cemetery Perpetual Care Trust	Total

Contributions receivable are reported in the statements of financial position net of allowances for uncollectible amounts and unamortized discounts.

Unconditional promises (pledges/contributions) to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows, when significant. The discounts on those amounts are computed using a risk-free interest rate applicable to the year in which the promise is expected to be received. Amortization of the discount is included in contribution revenue.

The contributions receivable balance as of June 30 is expected to be collected according to the following schedule:

	<u>2013</u>	<u>2012</u>
Less than one year	\$ 512,053	\$ 429,202

#### **NOTE 9 - Accrued Mediation**

---

In January 2004, the Archdiocese established an independent mediation system to address reports of diocesan clergy sexual abuse of minors. The Archdiocese accrued \$132,000 and \$279,000 as of June 30, 2013 and 2012, respectively, to cover mediation and litigation settlements, sexual abuse therapy, and victim assistance agreed to under mediation. The accrual is included in accounts payable and Pre-Petition liabilities on the statements of financial position. Payments of \$226,911 and \$343,417 for mediation and litigation settlements, sexual abuse therapy, and victim assistance were made during the years ended June 30, 2013 and 2012, respectively.

---

#### **NOTE 10 - Pending Litigation**

---

The Archdiocese currently is a defendant in twelve lawsuits alleging personal injuries. At the time of the filing of Chapter 11 proceedings, all of the cases were on appeal for a determination of whether the Archdiocese has insurance coverage for the claims asserted in the lawsuits. These cases are now stayed because of the Chapter 11 filing of the Archdiocese. In addition, abuse claims have been filed against the Archdiocese pursuant to the Order Approving Debtor's Motion for Order Establishing Deadlines for Filing Proofs of Claim and Approving Form and Manner of Notice Thereof (the "Bar Date Order"), which required that any abuse survivor who desired to file a claim do so by February 1, 2012. As of June 30, 2013, approximately 575 abuse claims had been filed against the Archdiocese. At this stage of the Chapter 11 proceedings, it is not possible to predict the likely outcome or disposition of the claims, or whether the magnitude may be material, as the outcome or disposition is subject to a claims allowance or disallowance process under the Federal Rules of Bankruptcy Procedure. Management has not accrued any additional expense for the claims which may be allowed, all of which will be subject to discharge or adjustment under a Plan of Reorganization in the Chapter 11 proceeding.

---

#### **NOTE 11 - Deferred Revenue**

---

The Archdiocese has both short term and long term deferred revenue. Deferred revenue primarily includes unearned income relating to prepaid burial fees which are to be recognized as revenue as the services are performed. Pre need payments are treated as trust funds and handled in compliance with Wisconsin Statutes Chapter 157 which states that pre need trust funds may not be withdrawn until the obligations under the pre need sales contract have been fulfilled.

## **NOTE 14 - Employee Benefit Plans**

The Archdiocese has several pension plans covering substantially all employees. The plans also cover certain individuals employed by Catholic corporations and activities which are located within the boundaries of the Archdiocese, but are not included among the entities that are under the fiscal management of the Archdiocese, as listed in Note 2. A summary of each plan follows:

*Cemetery and Mausoleum Employees' Union Pension Plan*

Union employees of the cemetery and mausoleum operations are participants in this defined benefit plan. During the 2008 fiscal year, a change to the benefits calculation was negotiated so that in the future a calculation similar to that used in the Lay Employees' Pension Plan will be applicable to most union employees upon retirement.

The following table sets forth the plan's funded status and amounts recognized in the statements of financial position.

	2013	2012
Projected benefit obligation at end of year	\$ 2,998,515	\$ 3,156,440
Fair value of plan assets at end of year	1,606,076	1,382,022
Funded Status of the Plan, Recognized in the Statements of Financial Position	\$ (1,392,439)	\$ (1,774,418)

At June 30 2013 and 2012, the amount of the accumulated benefit obligation was \$2,034,763 and \$1,909,289, respectively.

The assets related to the plan are primarily invested in a balanced investment fund. These Level 2 inputs had a fair market value of \$1,606,076 and \$1,382,022 at June 30, 2013 and 2012, respectively. The fund is valued by the plan administrator.

Amounts that have yet to be recognized as components of net periodic pension benefit cost for the years ended June 30:

	2013	2012

### NOTE 17 - Endowment

---

The Archdiocese follows the provisions of current authoritative guidance relating to endowments of not-for-profit organizations, which provides guidance on classifying net assets associated with donor-restricted endowment funds held by an organization. A key component of the guidance is a requirement to classify the portion of a donor-restricted endowment fund that is not classified as permanently restricted net assets as temporarily restricted net assets until appropriated for expenditure.

Interpretation of Relevant Law – The Archdiocese has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor restricted endowment funds absent explicit donor stipulations to the contrary. The Archdiocese classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Archdiocese in a manner consistent with the standard of prudence prescribed by UPMIFA as adopted by the state of Wisconsin. If the fair value of the permanently restricted net asset at year end is below the original fair value, the deficit is recorded as an unrestricted unrealized loss.

Fund Objectives and Policies – The endowment funds assist the Archdiocese in its mission by providing support for Catholic education and for the support of operations and activities of the Archdiocese's programs and services. The endowment funds consist of donor restricted gifts. The endowment funds are invested in conservative fixed income investments to provide funding for the purposes supported by the endowments with a primary objective of maintaining the principal of the endowment assets. The Archdiocesan spending policy is that the income generated by the investments can be used for purposes which are consistent with the donor restrictions.

The Archdiocese, both for itself and as the agent for all parishes and various other Catholic entities operating within the boundaries of the Archdiocese, entered into a protected self-insurance program to provide uniform property and liability coverage under a comprehensive plan. Premiums and loss reserves are determined and claims are processed by a service agency on a contractual basis.

Losses are paid from the loss fund of the protected self-insurance program to which premiums are paid by the participants. No single claim from the loss fund may exceed a specified maximum. Claims in excess of this maximum are fully covered by insurance. Any portion of the loss fund, which might revert back to the Archdiocese, is not measurable.

### **NOTE 21 - Financial Instruments**

---

The following methods and assumptions were used to estimate the fair value of each class of financial instrument for which it is practical to estimate that value as of 2013 and 2012:

#### *Cash and Cash Equivalents*

The carrying value approximates fair value due to the short-term nature of the instruments.

#### *Notes and Mortgage Notes Receivable*

The carrying amount approximates fair value because of the variable nature of the associated interest rate or the short maturity of those instruments.

#### *Note Payable*

The carrying amount of the note payable approximates fair value due to the variable nature of the interest rate or the short term maturity of those instruments.

#### *Charitable Gift Annuities*

The carrying amount approximates fair value due to the short maturity of those instruments.

#### *Contributions Payable*

The carrying amount of the contributions payable approximates fair value due to the short term nature of the instruments.
