

The following is the finding aid for the Prayer and Worship Office collection located at the Archdiocese of Milwaukee Archives. A finding aid is a catalog tool used in archives that briefly describes the material found in a collection. These records are not available digitally unless otherwise noted. Researchers must make an appointment with an archivist to view the material.

**Scope and Content Note** a brief description of the types of materials in the collection.

This collection contains records from the Prayer and Worship Office and reflects the activities of the office from 1968 to 2005, although the bulk of the collection is from the 1970s and 1980s. The records primarily include subject files relating to issues the office dealt with, programs from various events the office was involved with, and records of several different liturgical organizations with which the office was affiliated. Also included are records from the Symposium for Church Composers, an event the Archdiocese of Milwaukee hosted in 1982, 1985, 1988, 1990 and 1992.

Additional records have been sent to the archives, but are currently unprocessed and unavailable for research at this time.

**Box and Folder List** *This is a list of folders names within the collection. The folders have been arranged alphabetically. "B" is an abbreviation for box and "F" is an abbreviation for folder. This list will help the researcher narrow down exactly what folder they want to look at.*
