Scope and Content *a brief description of the types of materials in the collection.*

The Priest Senate was founded on March 6, 1967 to serve as a means of representing the presbytery in the modern world and to assist its bishop in the effective governing of the diocese. It was actively involved in religious and social/political issues of the day. Committees dealt with such priest-related issues as: celibacy, continuing education, insurance, salaries, living arrangements, team parishes, assignment of priests, mass stipends, burial guidelines, retired priests, alcoholism. Broader social issued addressed include: integration/civil rights, abortion/birth control, amnesty, labor.

The Senate was dissolved in fall 1983 when the new Code of Canon Law took effect. After 1983 an Archdiocesan Council of Priests was formed in accordance with Canon Law. Prior to 1983 the Senate was an independent body sanctioned by the archbishop but not directly responsible to him. The new code mandated that every bishop have a priest council to serve as his advisory body.
