

Goal of Addressing Catholic Social Responsibility in Catholic Schools

confrontation
incompatibility
apprehension
distrust
Economic Stress
Racism
tension
anxiety
pressure
worry
dispute
fear
clash
strain
rigidity
Political Aggression
frustration
misunderstanding
emotional strain

Reduce negative impact on our students by teaching them to view cultural, racial, economic and political issues through the lens of scripture, doctrine, prayer and sacrament.

Increase the capacity of our students to function as effective communicators, compassionate problem solvers, and moral decision makers by teaching them how to live faith in action using the tools of scripture, doctrine, prayer and sacrament.
