

Discovery Project

2023-24

Online Application Link For Parents

STEPS FOR PARENTS:

1. Review the program information and **course descriptions** at <https://schools.archmil.org/discovery-project.htm> with your child.
2. Select a class with your child for 2nd or 3rd quarter. The English/language arts courses are taken as “replacement” in place of their regular English/language arts class at the school. The social studies and STEM course can only be taken as “enrichment”, in addition to their regular course load at the school.
3. Once the course descriptions have been reviewed with your child, **submit application information** at <https://archmil.regfox.com/2023-24-discovery-project-principals-complete>.
4. Application information for your child needs to be submitted no later than **October 13, 2023**.
5. If you have **any questions**, reach out to the teacher or principal at your child’s school.

We hope your child finds the course enriching and rewarding!
