

Greetings!

On October 9, 2020, 2,400 K-12 educators from the 10-county Archdiocese of Milwaukee will gather at the Wisconsin Center for the 2020 Catholic Educators' Convention. The theme of the convention is Building the Kingdom: Forming Students for a Future of Hope and the focus will be on four critical areas that affect students—School Community; Student Wellness; Assessment, Grading, and Reporting; and Standards-Based Instructional Practices.

The archdiocese oversees 102 K-12 schools that serve more than 29,000 students in urban, suburban, and rural communities throughout southeastern Wisconsin. Vendors with innovative technology and educational tools and product lines will be present to highlight their role in supporting our schools, educators, and students.

This professional learning opportunity allows educators to expand their vision and expertise beyond the walls of their school and network with their colleagues. We ask for your support in partnering with us to keep costs down so all educators, regardless of individual school resources, can attend.

A conference this size has many fundable expenses reaching over \$200,000, and we ask you to partner with us by offering your sponsorship in one of the following ways:

If you cannot fund our request at the \$1,000-\$5,000 levels, please know that any gift would be welcomed and appreciated.

Catholic school teachers live their ministry each and every day. Your partnership in supporting their professional growth sends an encouraging message of support. Thank you in advance for your consideration.
